Senior Class Officers

D. Williams - Treasurer
B. Kishline - President
J. Carlton - Vice President
C. Keller - Secretary
Mr. Johnson - Advisor

The class of 1975 had an active senior year, beginning with a soc-hop after the first football game. When the class colors were picked, the seniors painted a special senior section of the bleachers in burgundy and white. During the course of the year, they sponsored two more soc-hops, one featuring a strobe light. They also held a slave sale at the Mardi Gras and a marathon football game which broke all previous records, lasting 75 hours. The seniors participated in grad nite at King's Island again this year, as well as reviving the tradition of adding a block onto the sidewalk at the east end of the building.

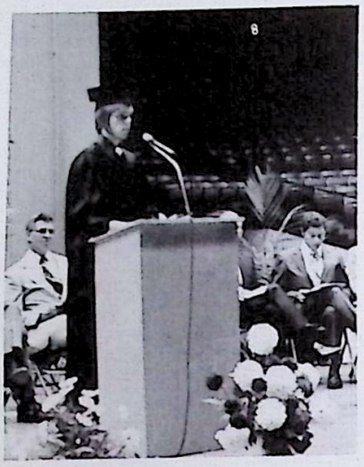
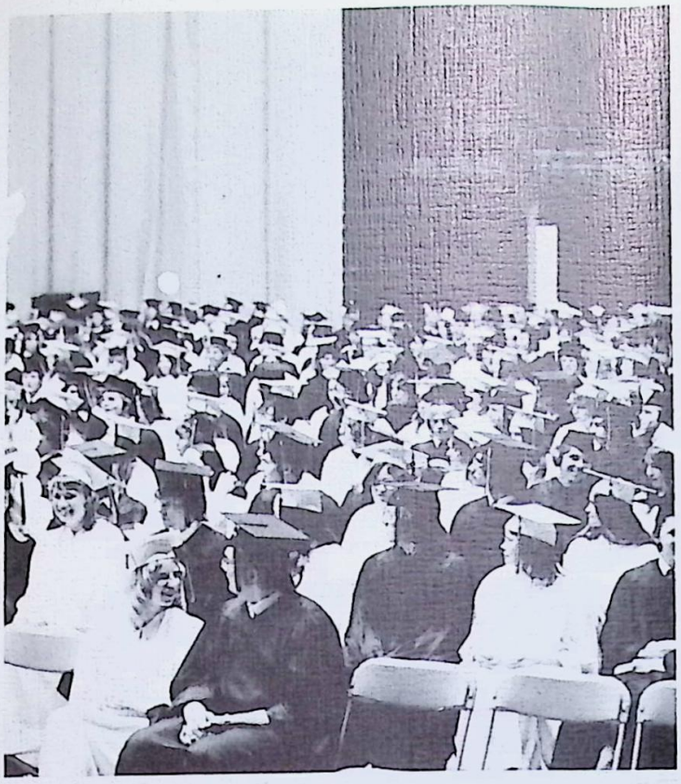
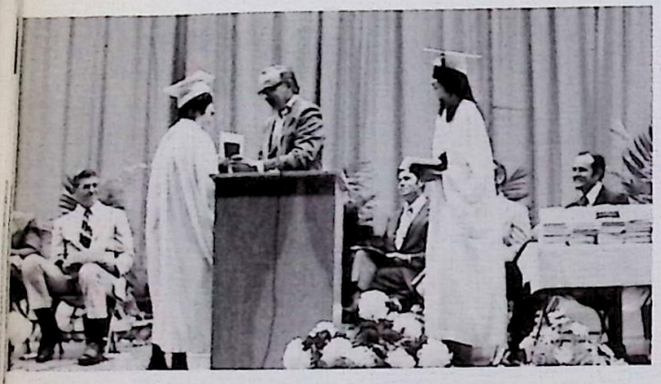
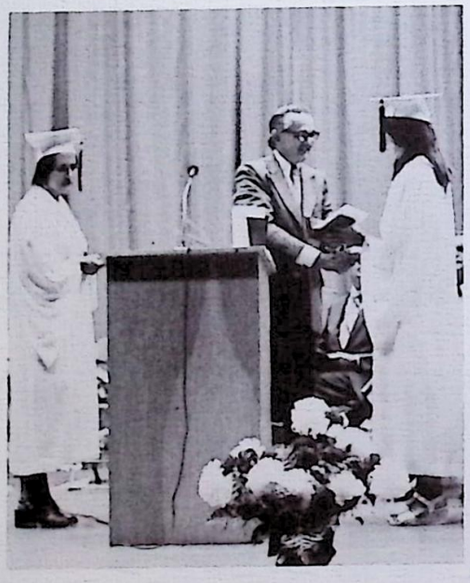
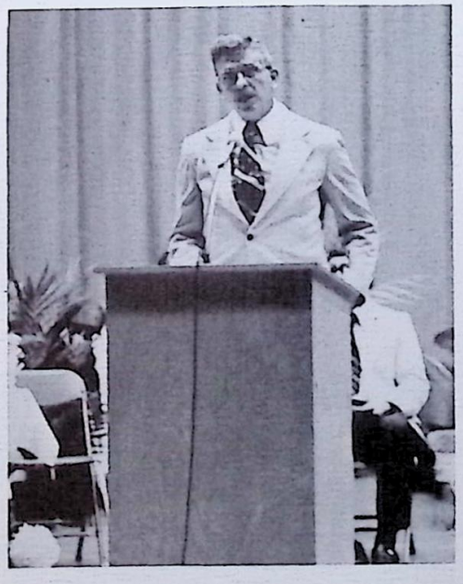
GRADUATION 1975





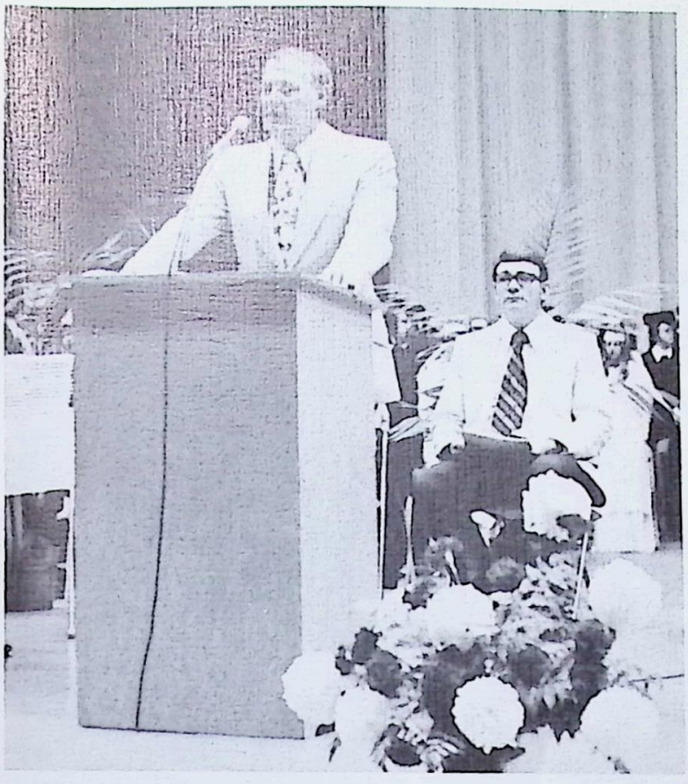


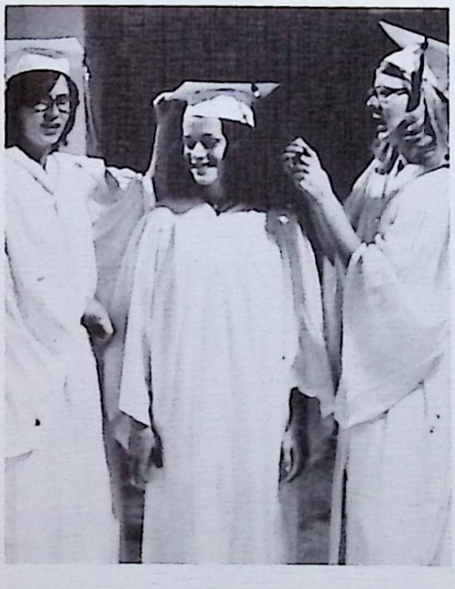


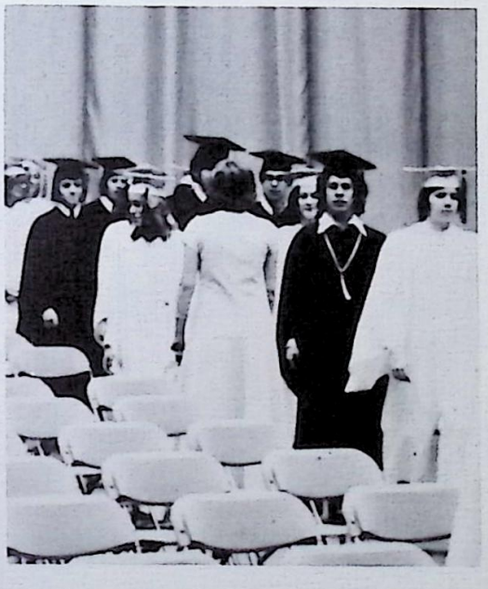


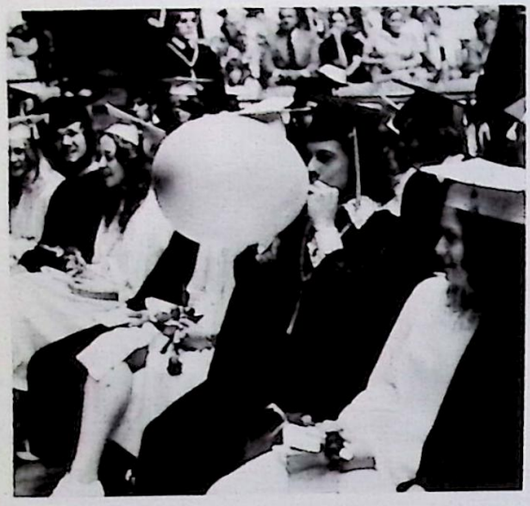
To Our Graduates . . .

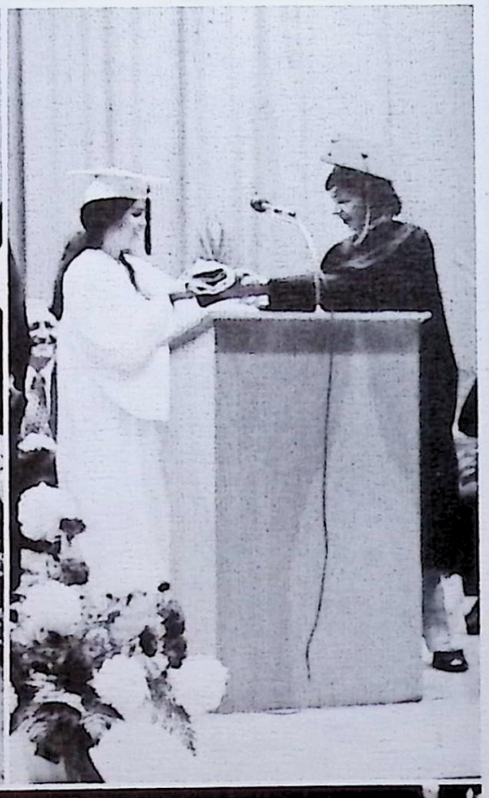
The Super Seniors "cruise-on" and leave the school full (2/3 that is) of experienced juniors and sophomores. The seniors were looked up to by the juniors for two years and are very much missed. To you we wish your hopes come true, your friends be true, and may your dreams live on forever.

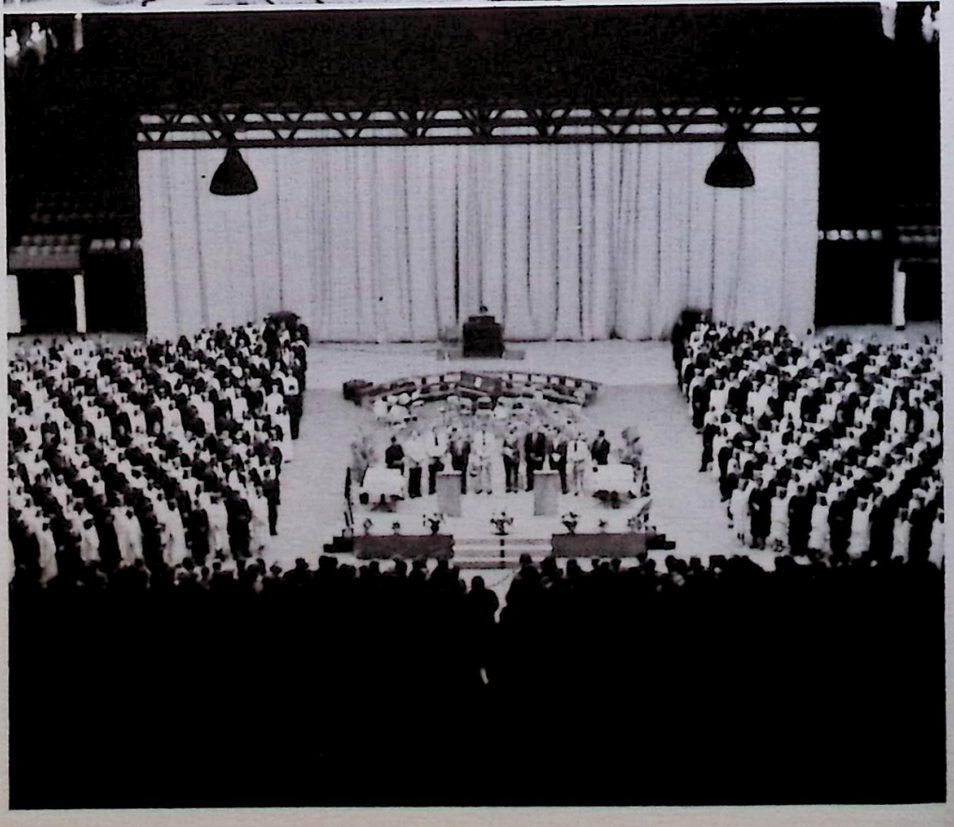


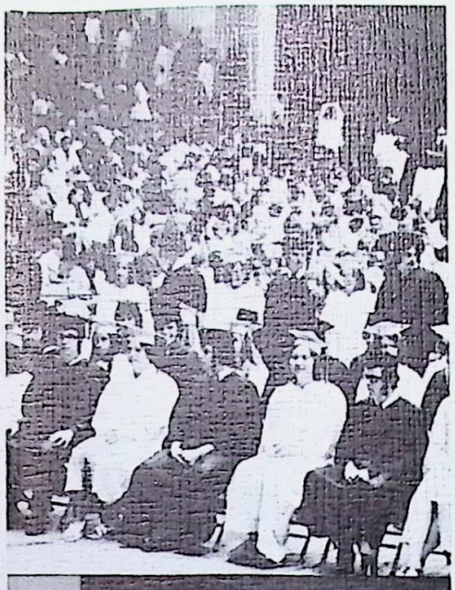


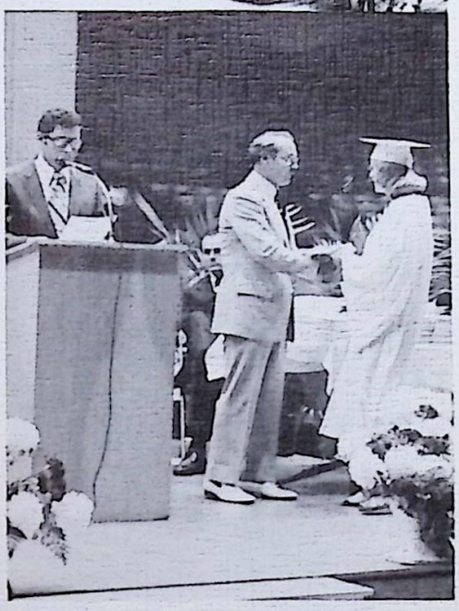


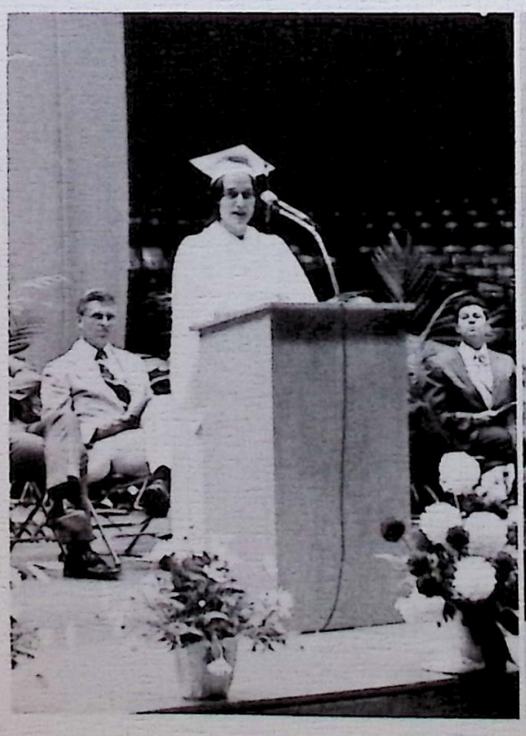


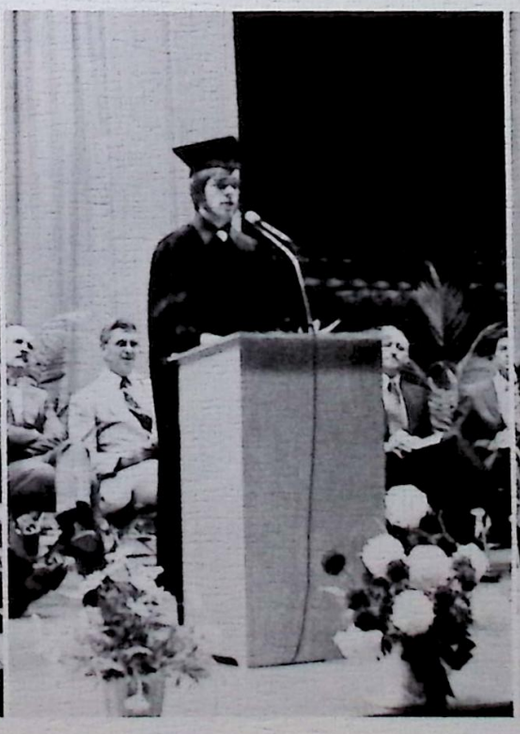












Class Of '76' Officers

President: Ann Wightman, V. President: Leslie Bell, Treasurer: Terry Tallman, Secretary: Joyce Bach, Advisors: Mr. Larry Stevens, Mrs. Lois McFarland.

The Class of '76 was very active this year. They started out the year with a terrific Homecoming weekend. First came the Junior-Senior girls soccer game and the Juniors won. Then, the Junior-Senior boys tug-of-war, the Juniors won again! To top it all off, the Most Spirited and Best All Around awards were given to the Junior float, "Spirit of '76."

Preparations for the 1975 Senior Prom began early with high goals in mind. Juniors became notorious for selling such things as student directories, Booster Bars and Charm Pops. The treasury was supplemented by several paper drives and bake sales. The goal of nearly $2000 was reached and the stage was set for a successful Prom.

The theme, "The Days of Wine and Roses," was carried out by the use of fresh roses and soft candle light. The Junior parents sponsored a fun-filled after Prom Party at Xenia YMCA. This was a fitting ending to a perfect evening.

The Class of 1976 now looks forward to a successful Senior year.

Class of '77' Officers

President: Celia Drennen, Vice President: Jewell Sparks, Secretary: Cathy Monahan, Treasurer: L. Graham, Advisors: Miss Harner, Mr. Gebhardt.

The Class of '77 entered a float in the Homecoming Parade. A picture of the float appeared in the local paper. Taking an active part in the Mardi Gras, the class operated a booth selling ice cream. The class is now preparing for next year's Prom by planning money raising projects.

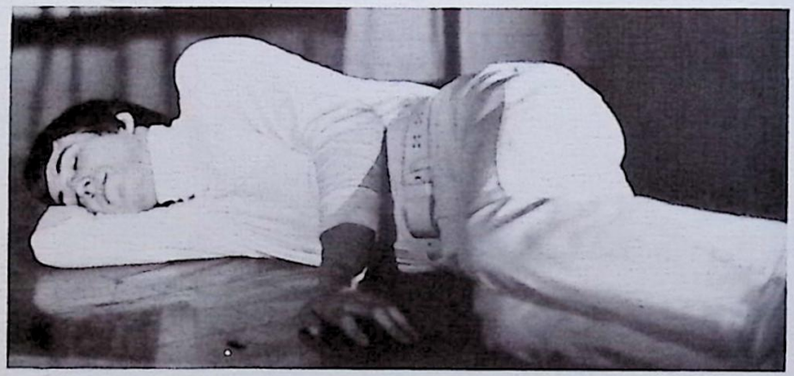
The Diary Of Adam And Eve
The Summer People
The Lottery

Three One Acts



Three one-acts entertained Beavercreek audiences on November 16 and 17. The Lottery centered around a bizarre incident in a New England town. The Summer People also by Shirley Jackson involved two older people in another macabre ending. To lighten the mood, The Diary of Adam and Eve by Mark Twain ended the evening with laughter and chuckles.

THE
BEGINNING

Happiness Reigns

The 1974 annual Homecoming parade of club floats and attendants was a great introduction to the game. The Battling Beavers defeated Wayne 17 to 15. The announcing of the reigning queen, Cindy Skapik, was the highlight of the evening. Cindy has represented the class of 1975 for 3 consecutive years as attendant. Her court: Senior attendants, Bonita Livesay, Dana Williams, Junior attendant Vicki Kubilius, Sophomore attendant Celia Drennen.

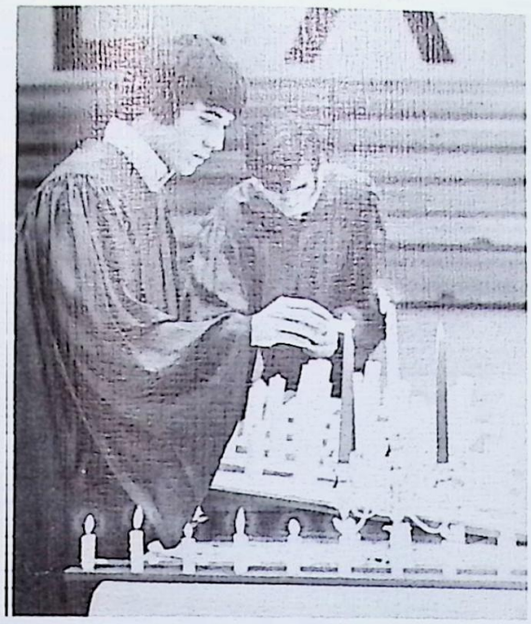
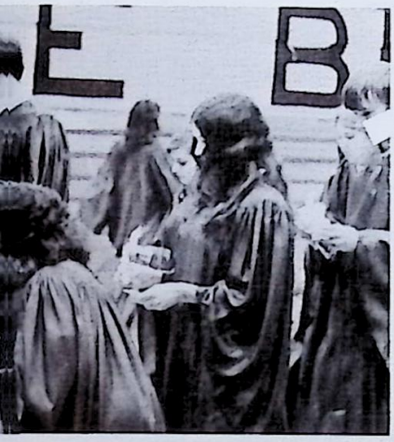
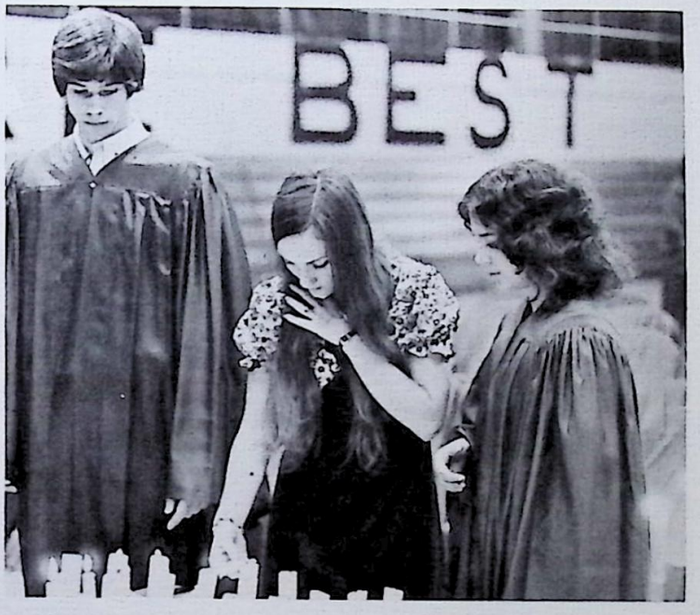
ARE BEST







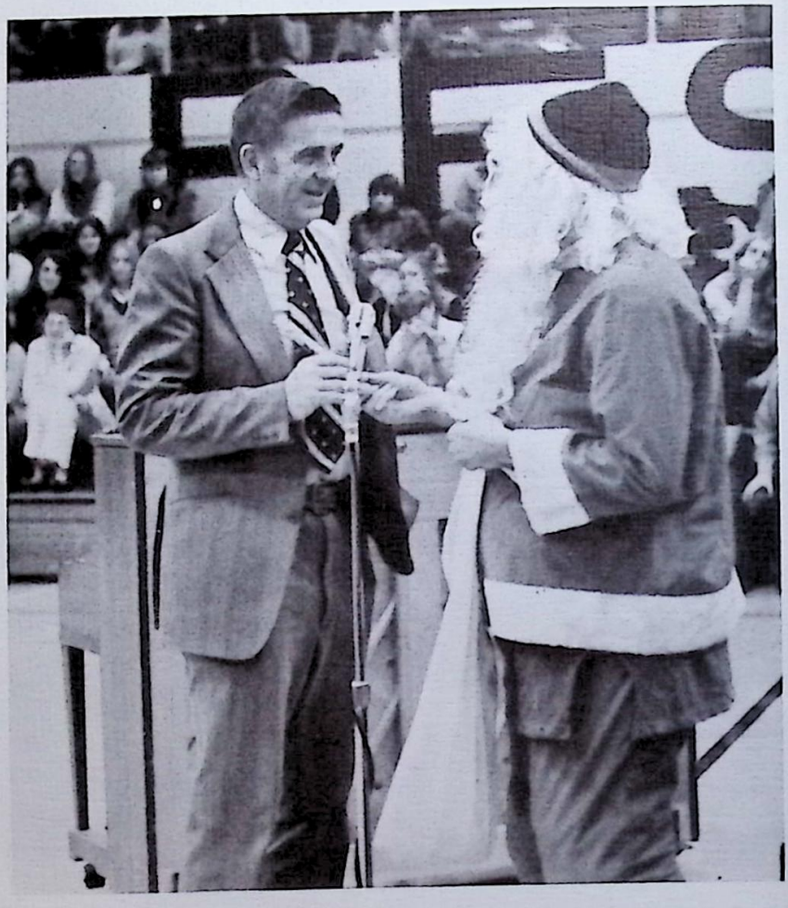
BEST

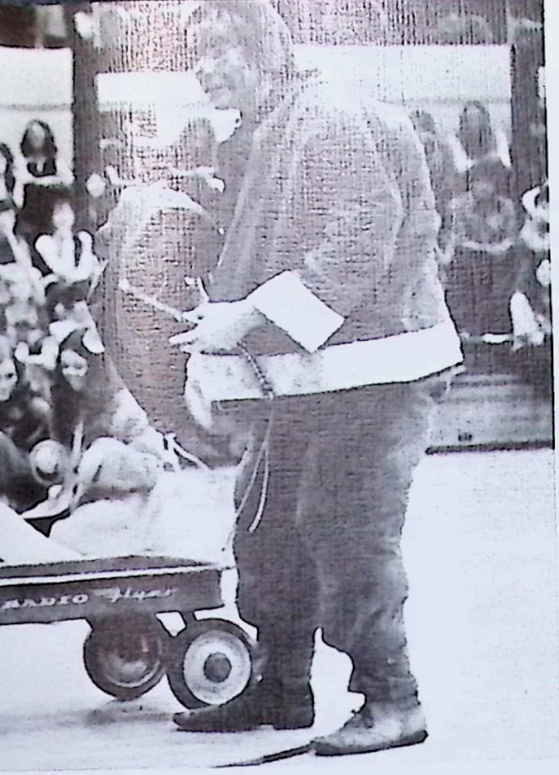
Merry Christmas

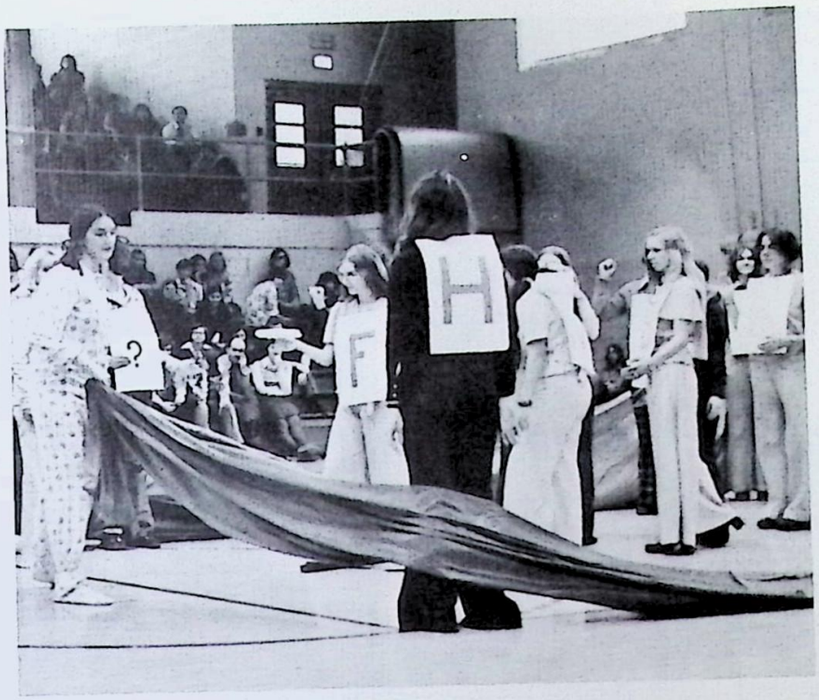
The Christmas Assembly was one of the best the school has ever seen.

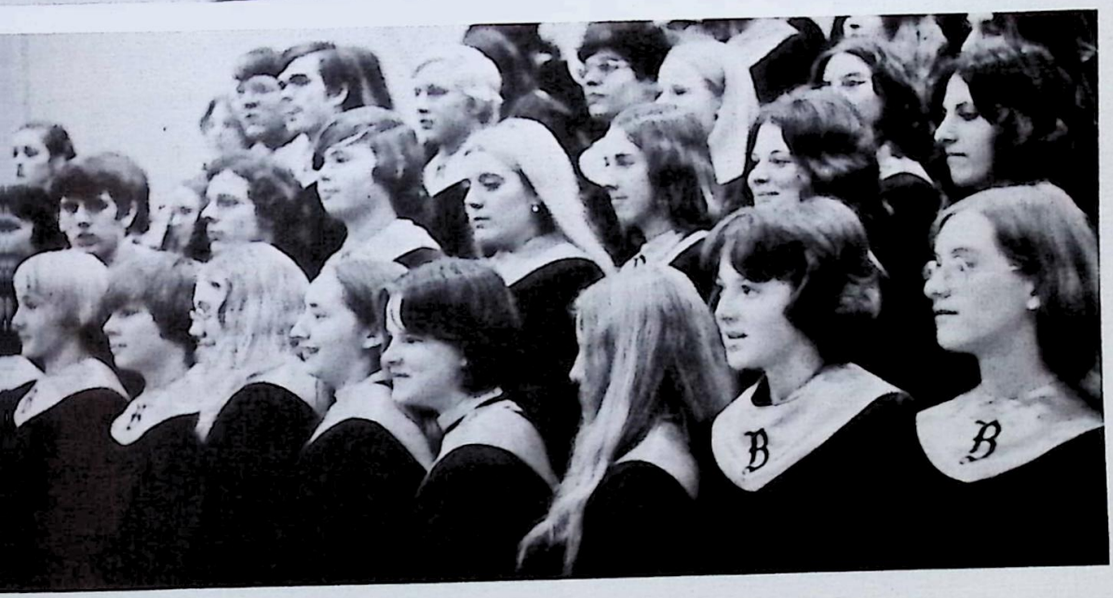
The Music and Drama Departments both contributed. The band played several selections under the direction of Mr. Workman. The Choir sang some Christmas songs. The Friends provided us with their special form of entertainment.

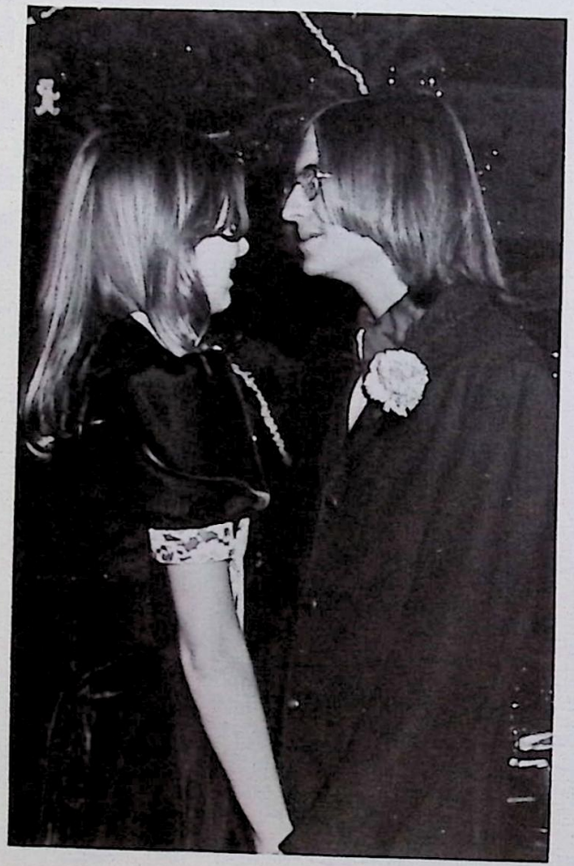
The Drama portion was two skits. John Goodall starred in one as the Grinch Who Stole Christmas. The other skit was about a Christmas machine that didn't work. Finally, Santa Claus made his appearance looking for Johnny Townsley. All in all, it was an afternoon of fun and entertainment for all.











"Buzz Jones" was a change for BHS. Led by a mellow flute instead of an ear piercing guitar added to the atmosphere and moved couples close for the evening. Little can be said about a dance because the real meaning lies in those who participated. Thank you, choir, and all who helped make Christmas especially merry.

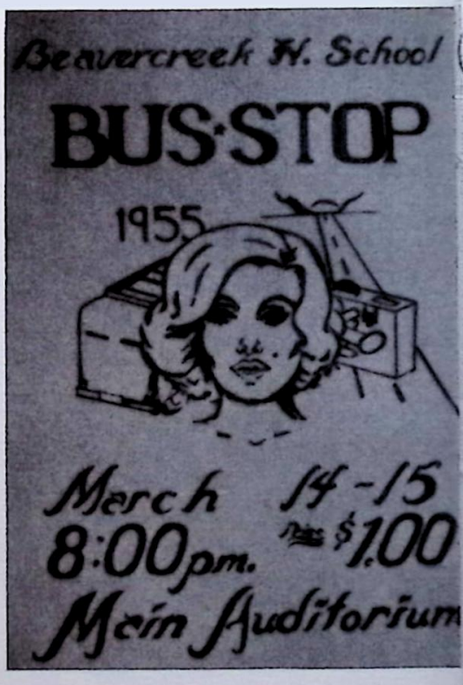
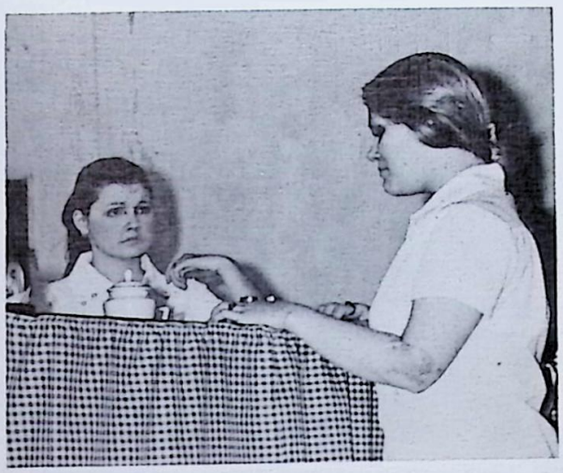
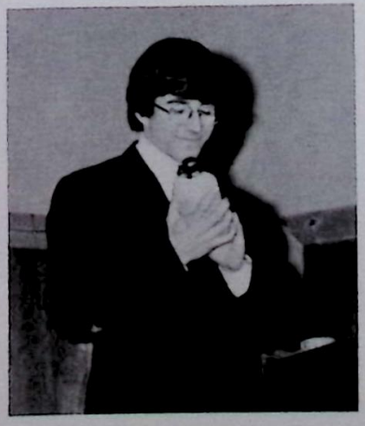
The Drama Dept. pulled off another excellent production. Their production of BUS STOP by William Inge included the cast of:

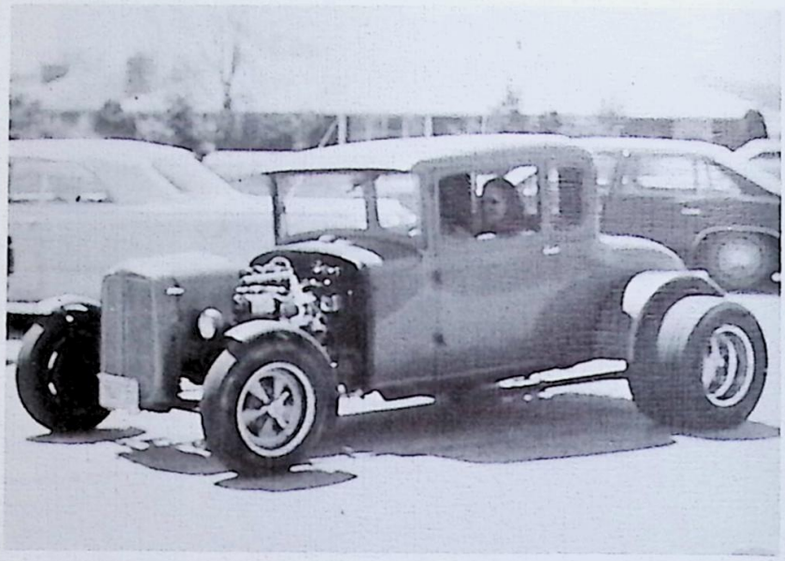
Elma, the innocent young girl - Beth Bailey
Grace, owner of the diner - Lisa Warwick
Carl, the bus driver - Matt Yanney
Will, the local sheriff - Mike Keller
Bo, the cowboy - Dave Kenagy
Virgil, his friend - John Goodall
Dr. Lyman, the drunk - Wendall Bauman
Cherie, the nightclub singer - Vikki Kubilius

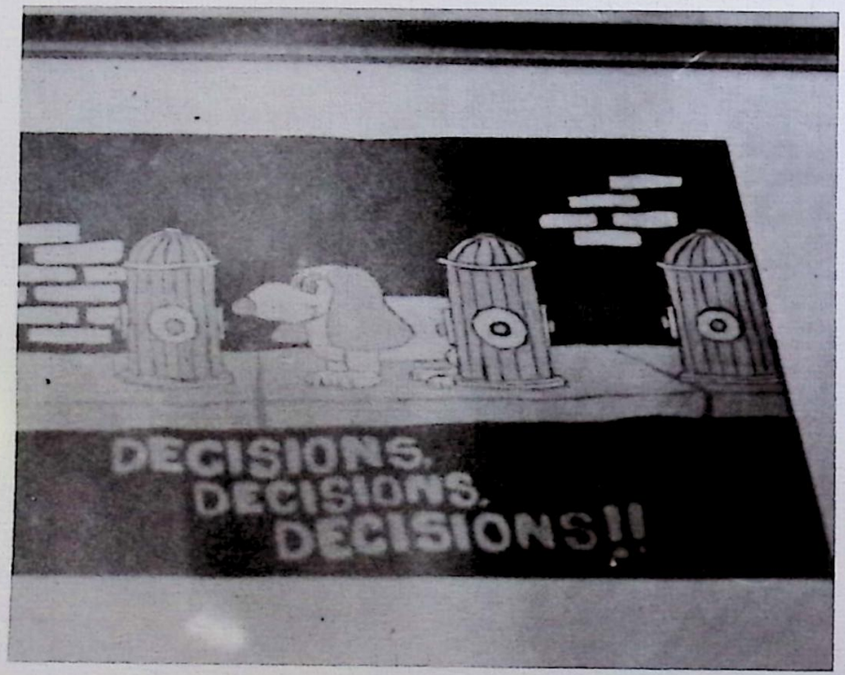
The story centered around Cherie and Bo Decker. Bo had fallen in love with the young girl and was taking her to Montana to be wed. The subplots dealt with the interesting relationship between the other people.



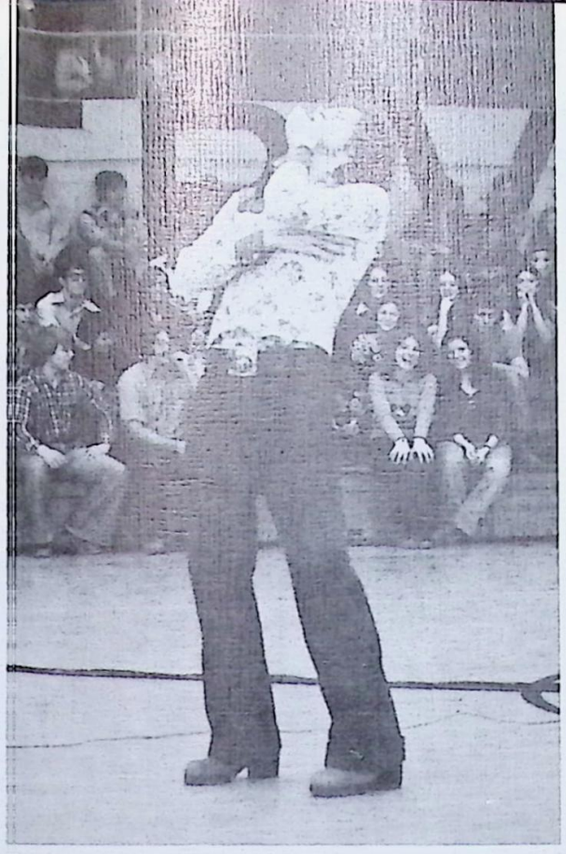


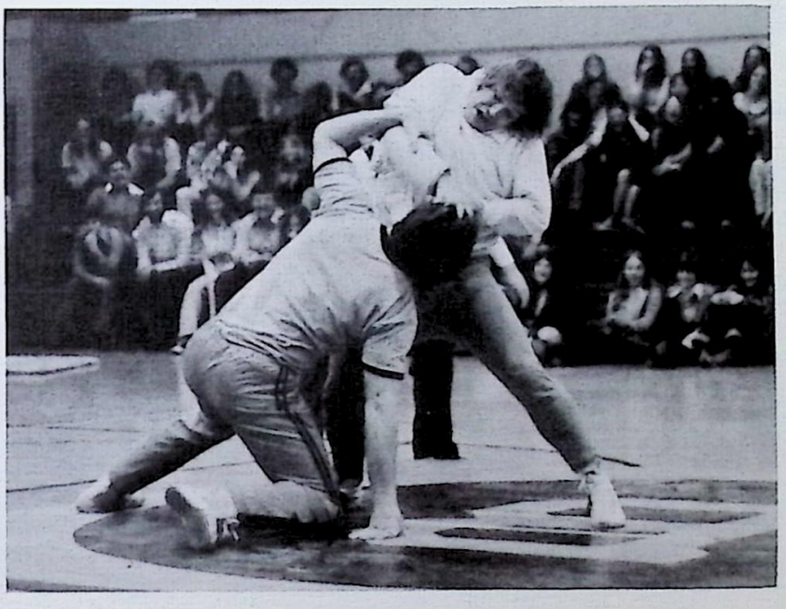


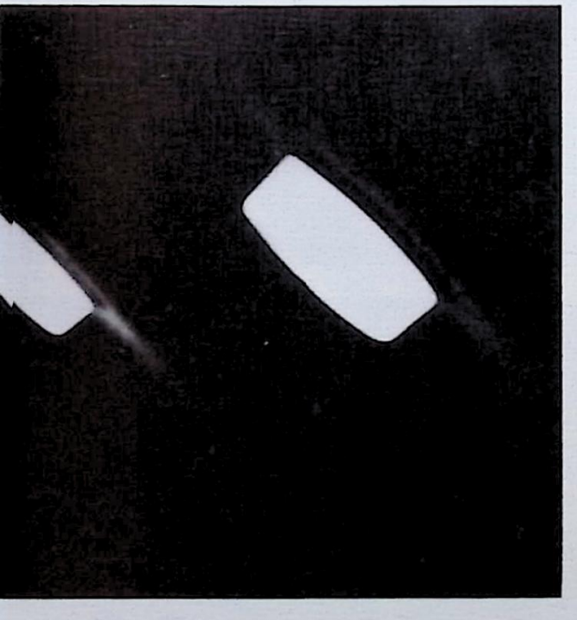


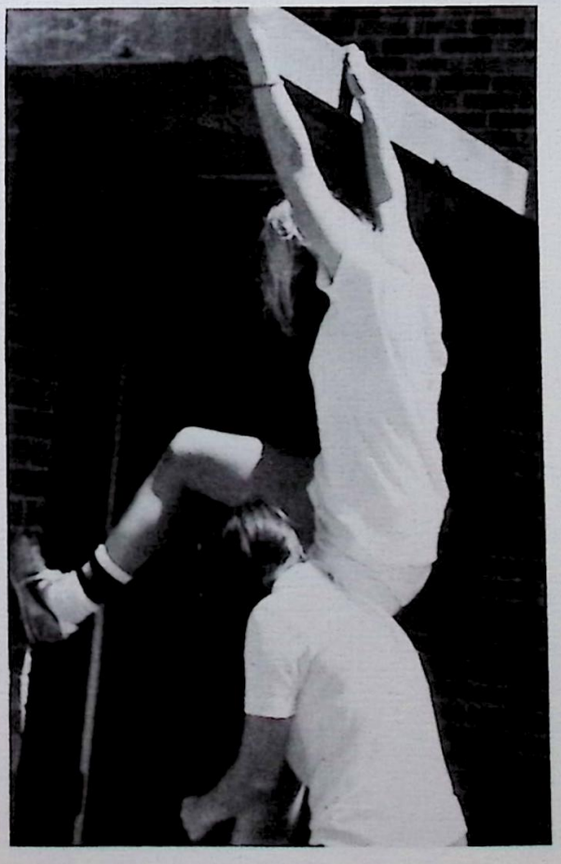


DECISIONS,
DECISIONS,
DECISIONS!!









With all the eyes focused upon the stage, Karen Welch and Larry Tucker were crowned queen and king for the evening of the annual Valentine Dance. The dance took a twist being casual which made the evening comfortable and successful. Cupid showed up and hit everyone with his arrows of love which made the evening complete.

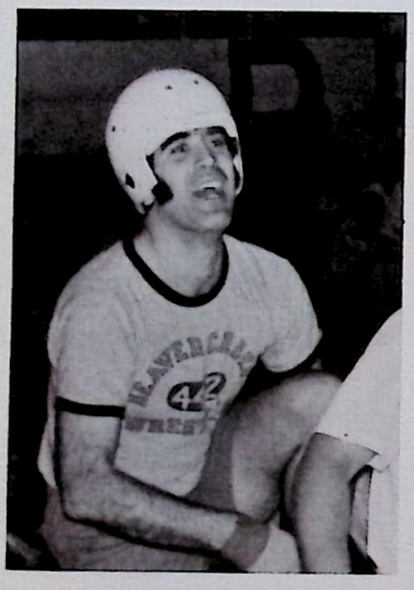
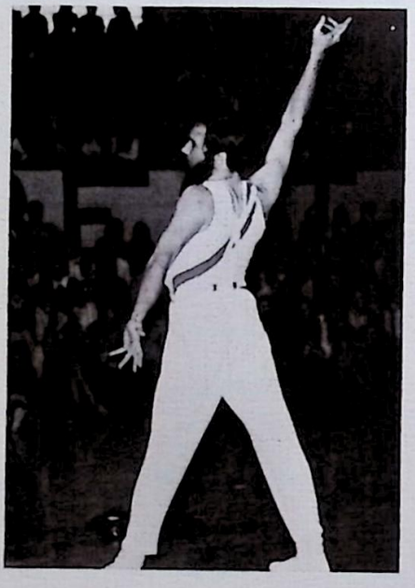
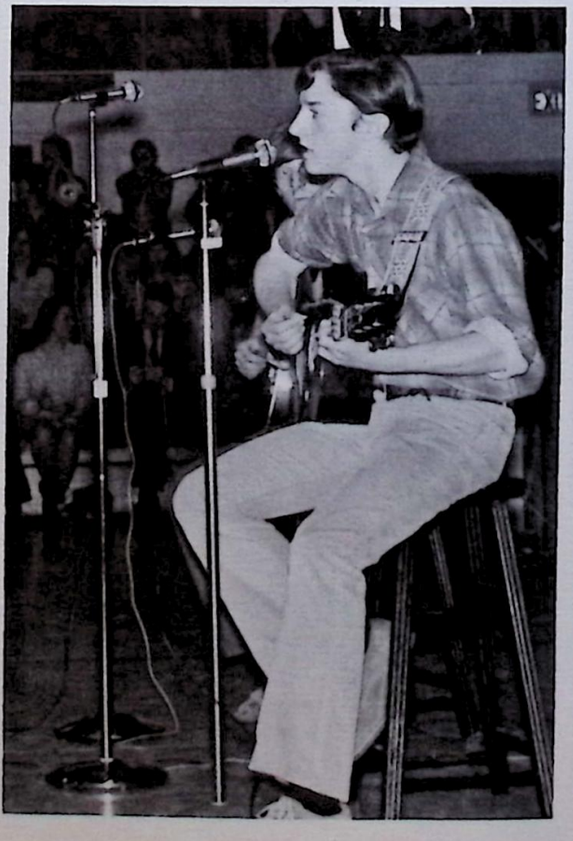
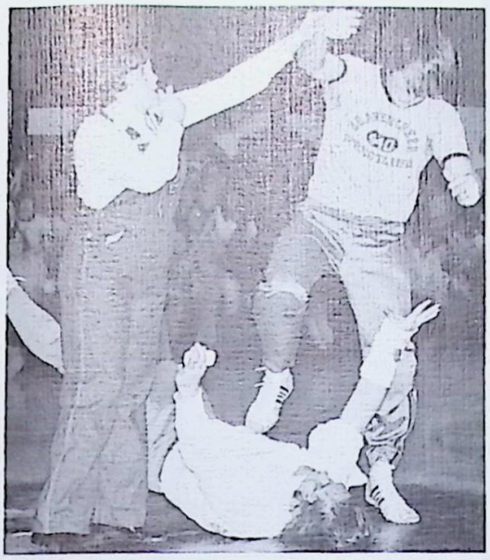
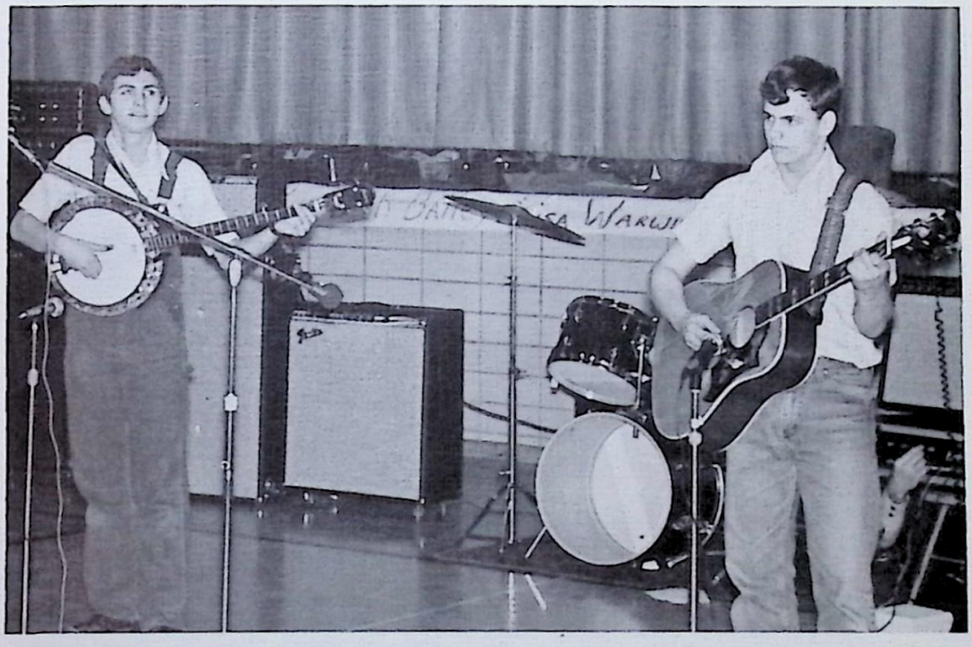
Even though the talent show fell short of time, it didn't fall short of talent. Talent was abundant with top honors going to Jim Armstrong's Beatles, Mark Prosser's Impersonations, and the Stephens Brothers Band. All participants were great.

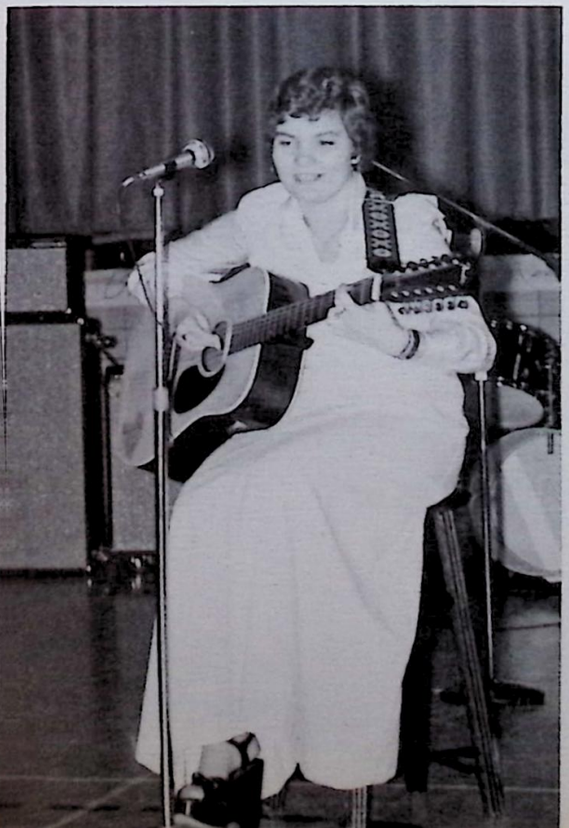




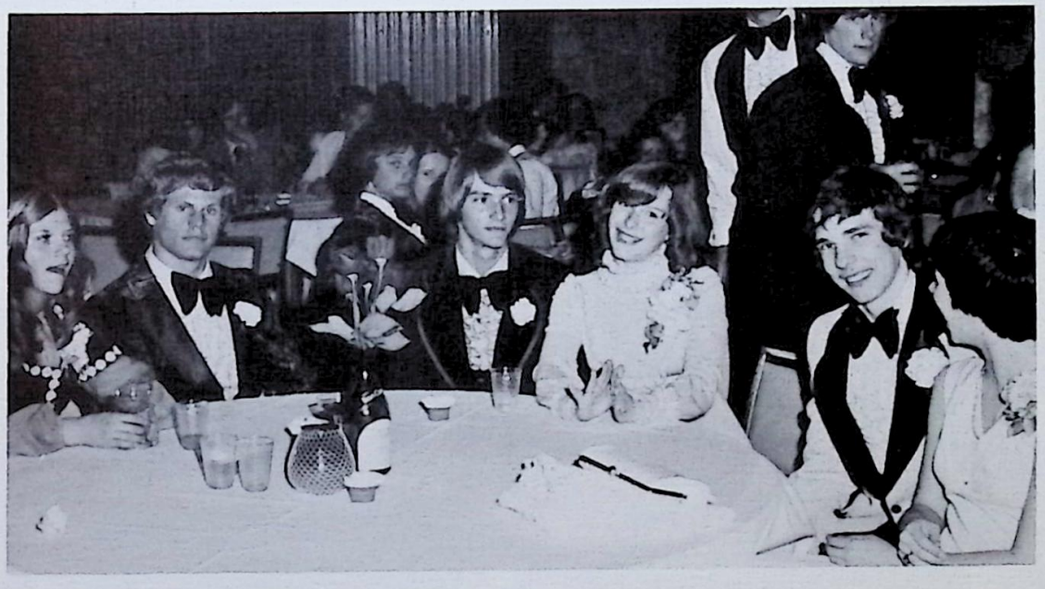


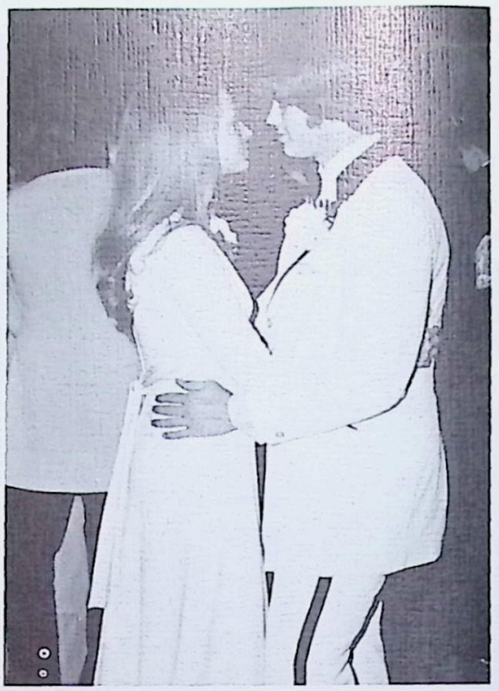


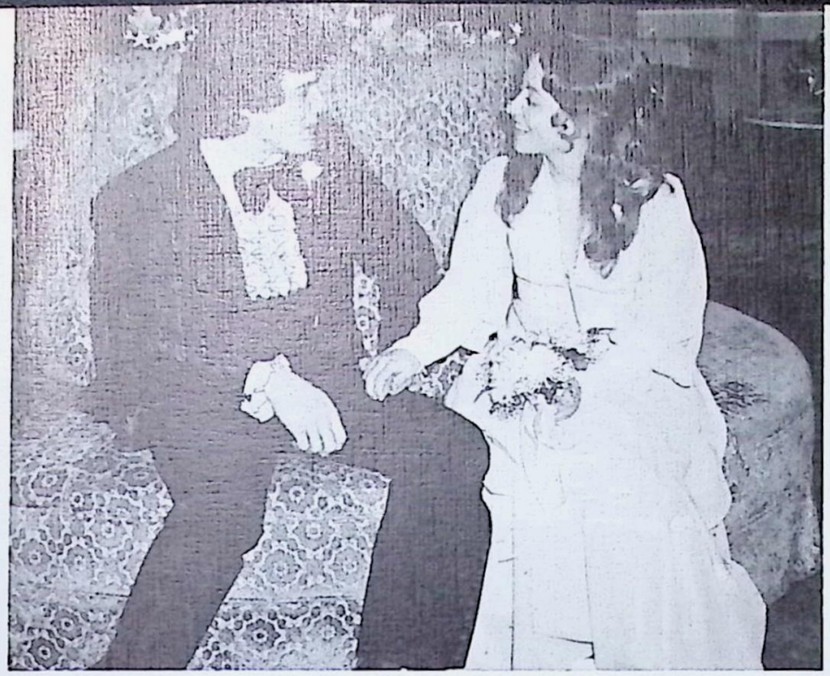




DAYS of "WINE AND ROSES"







Mame

On the evenings of May 8, 9, and 10, the Music Department presented another fine Musical. The news of its popularity was evident in the full house attendance each evening.

The setting for the musical took place in Mame's Beekman Place Apartment and various locales in which she became involved with during the years 1928-1946.

Our many thanks to those people who helped present such a good evening of entertainment.

The Beavercreek High School Soccer Team should be congratulated. This was the team's first year of play and they are worthy of praise. Although they did not hold one of the greatest records ever, they did give it the B.H.S. try, and should be commended for it. Some of the team's greater victories were Middletown Christian and Miami Valley, which they won 9 to 1 and 4 to 0, respectively. The team also defeated Dayton Christian and Fairmont West. The defeats which our team suffered will go without mentioning, of course. Thanks to the team for providing a new sport to add to the list.

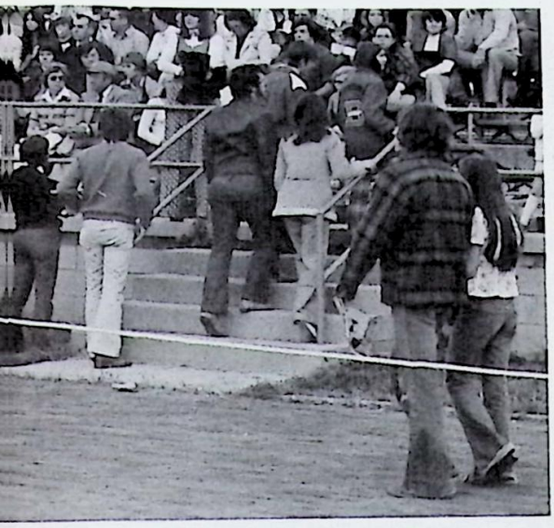
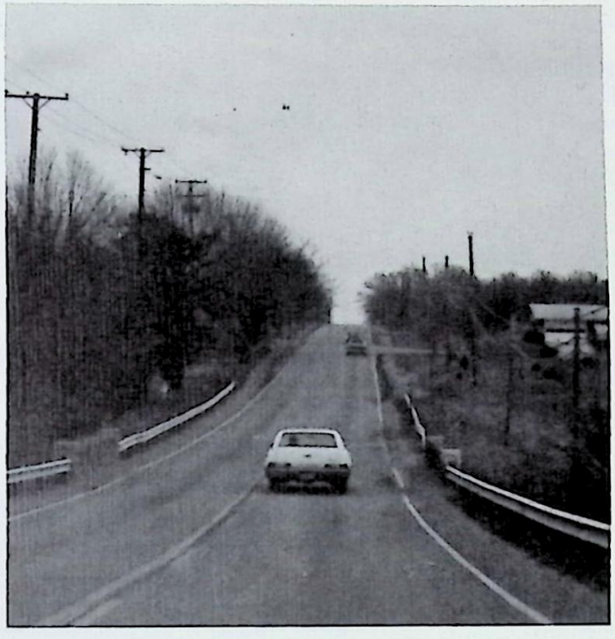
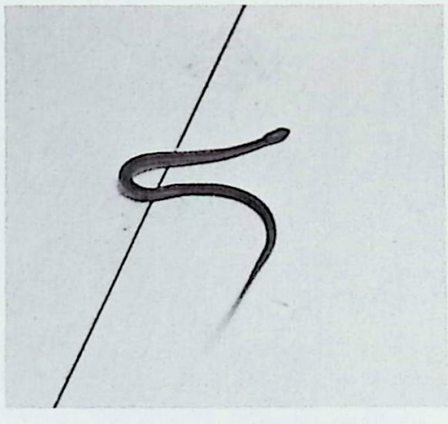
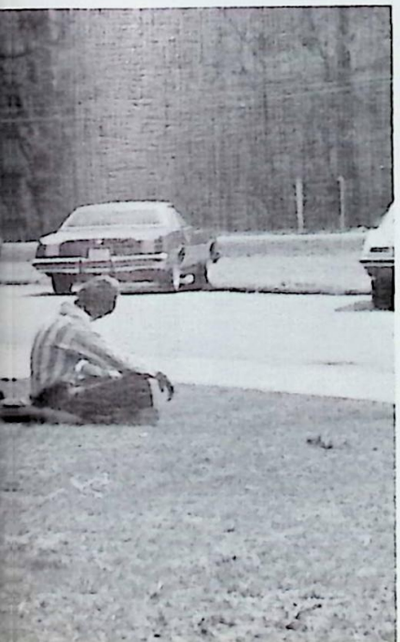
PEACE
KILL

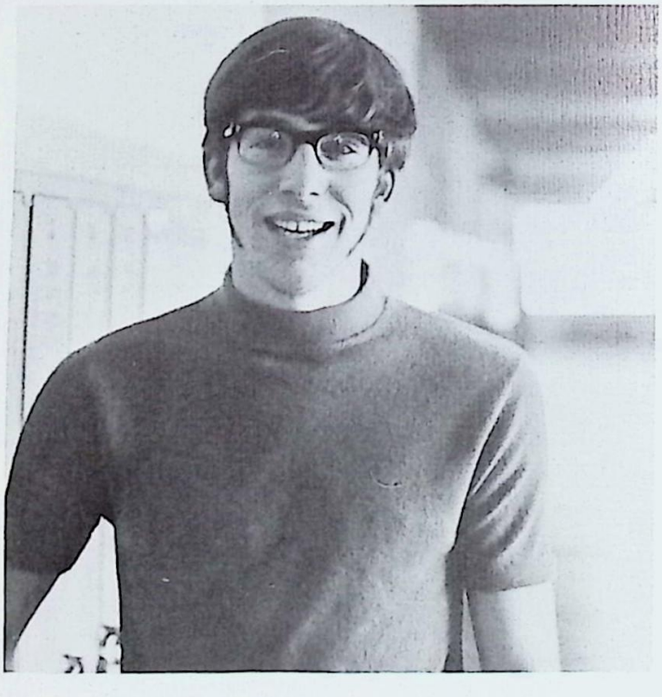


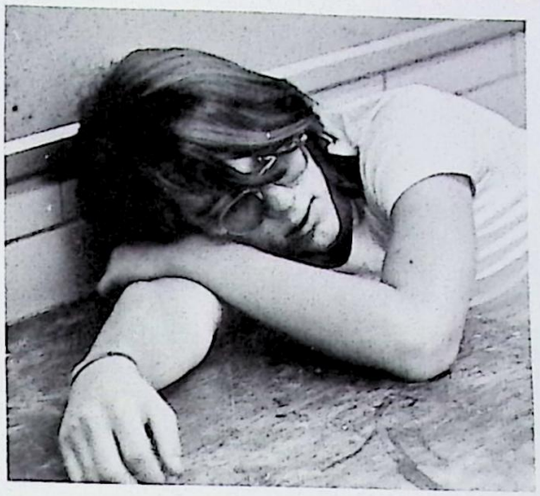


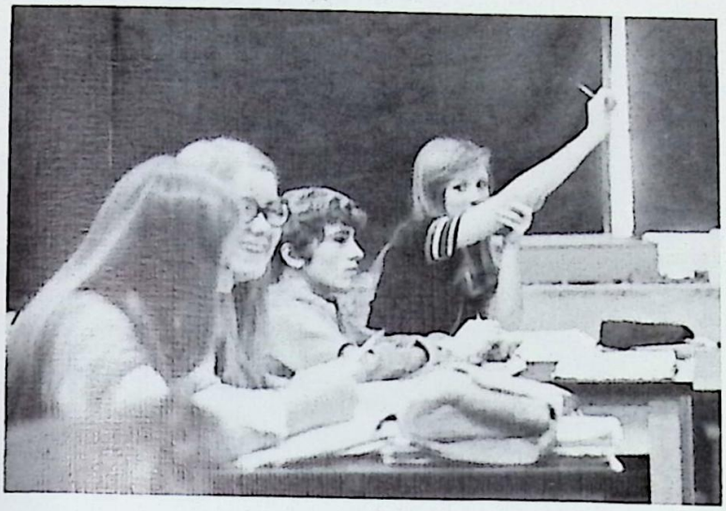


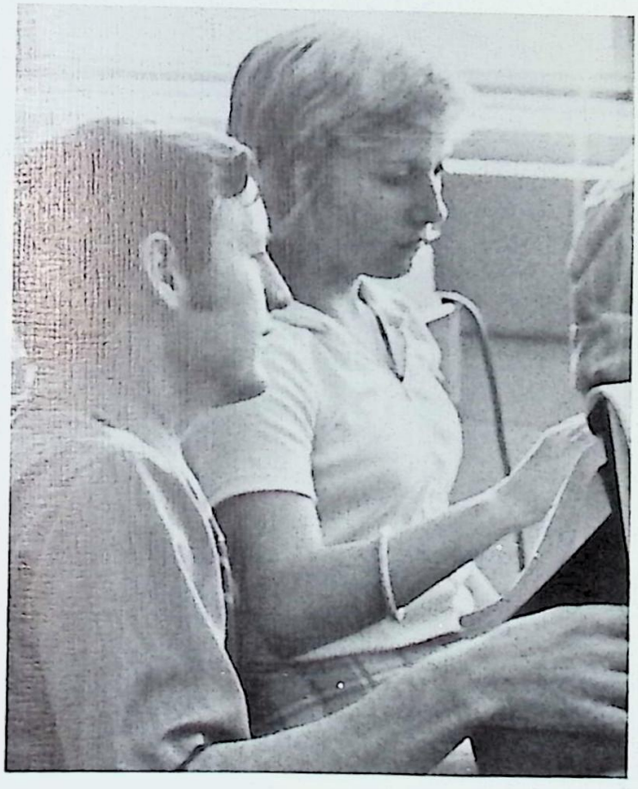
Spring fever hits us all at one time or another, and when it does, the yearning to get outside becomes almost unbearable. The one thing that sours the sweetness of spring is that it can't last forever and then we're all plunged into winter, and school, once again.

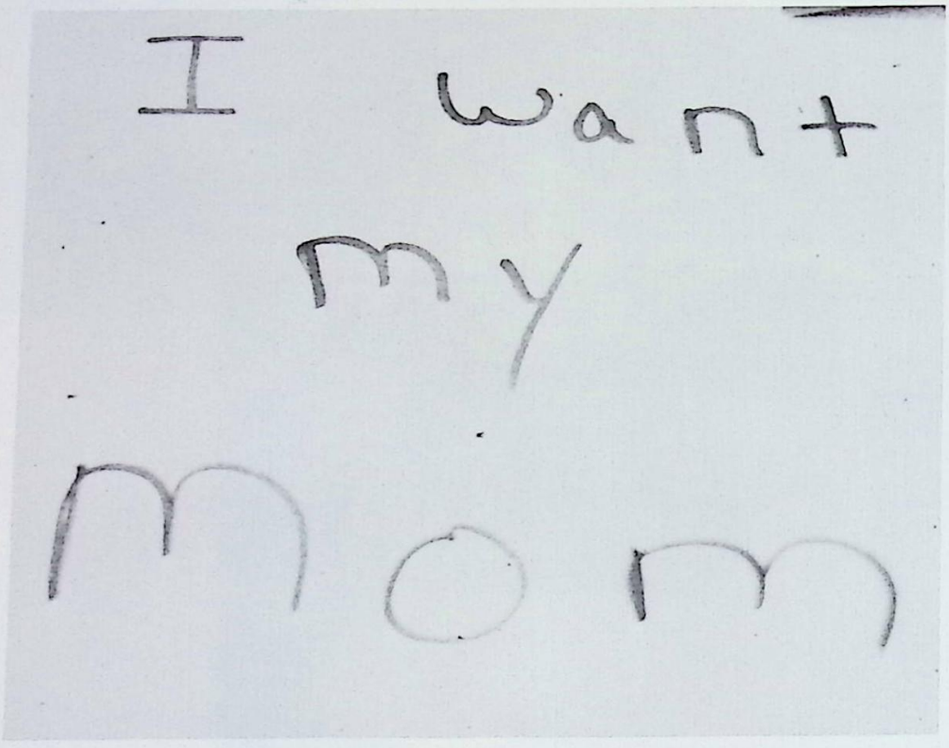




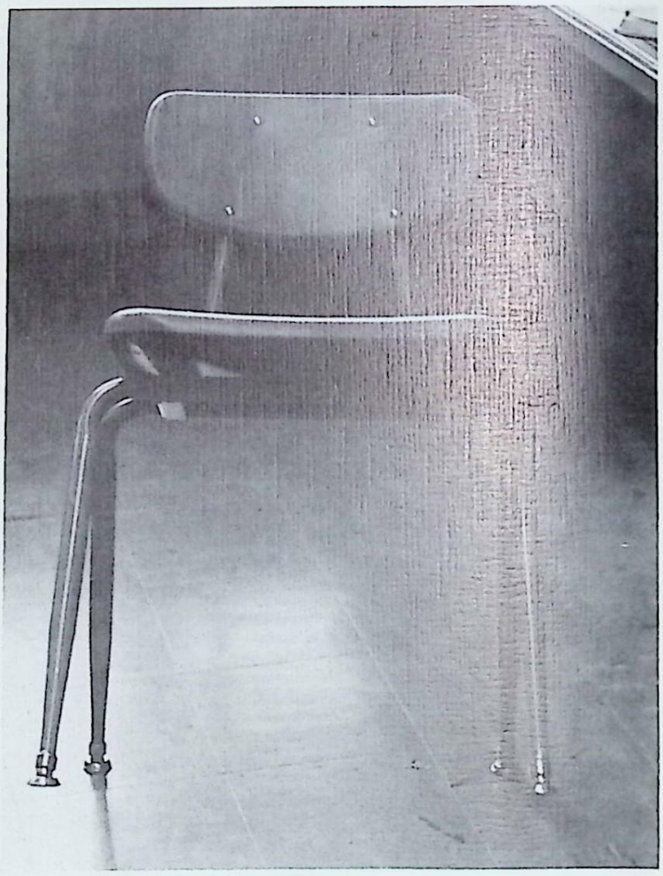




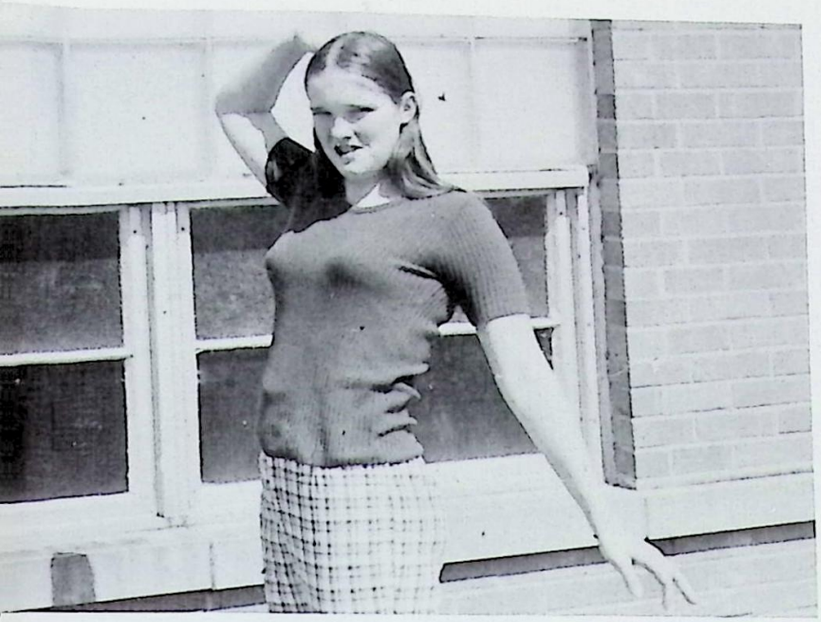


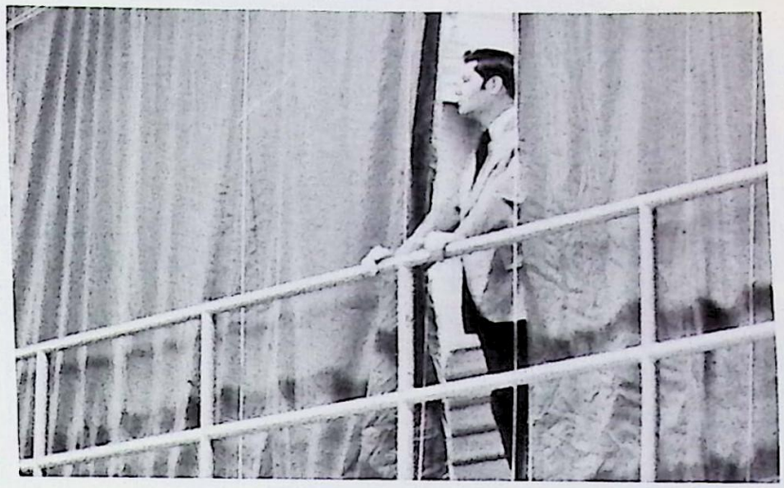


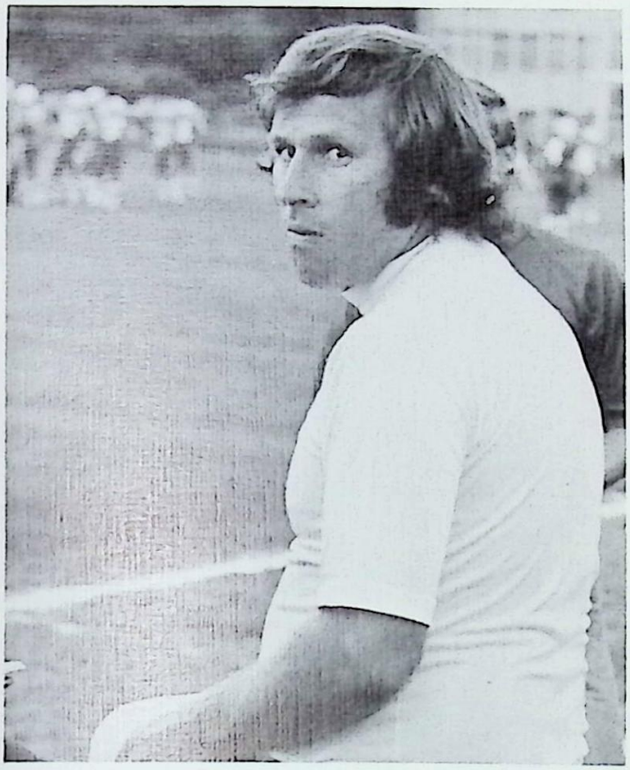
Famous last words!



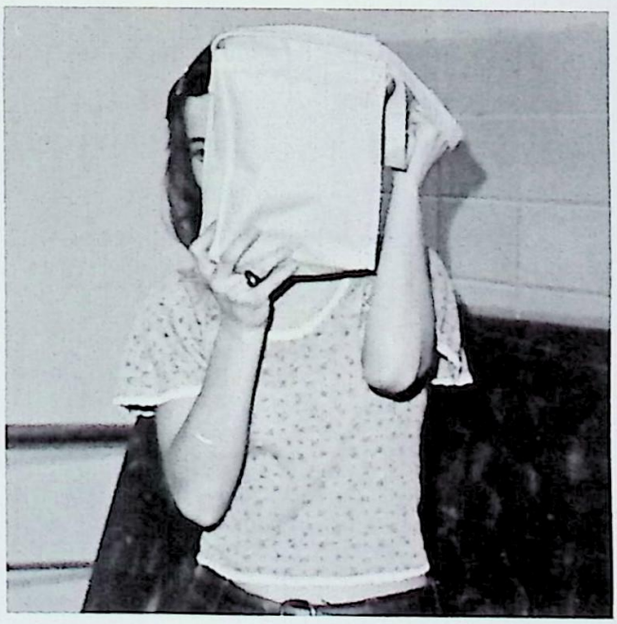
Talent?

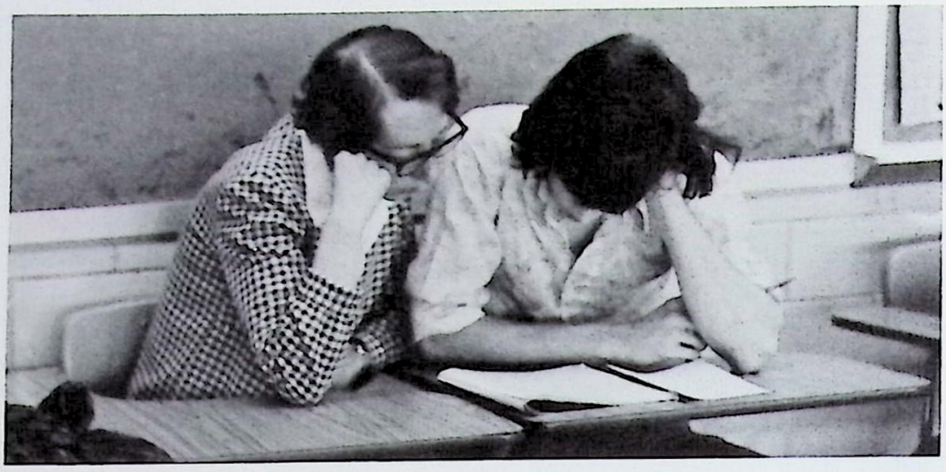


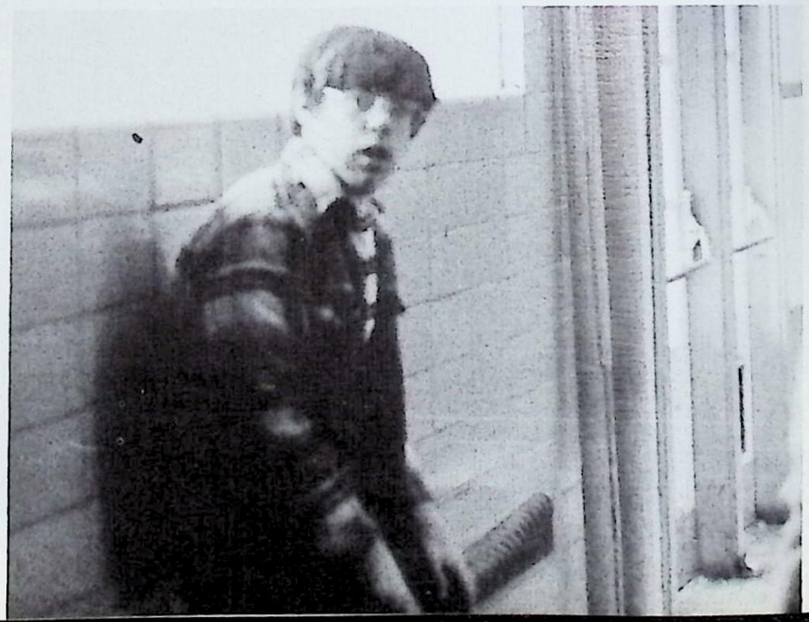


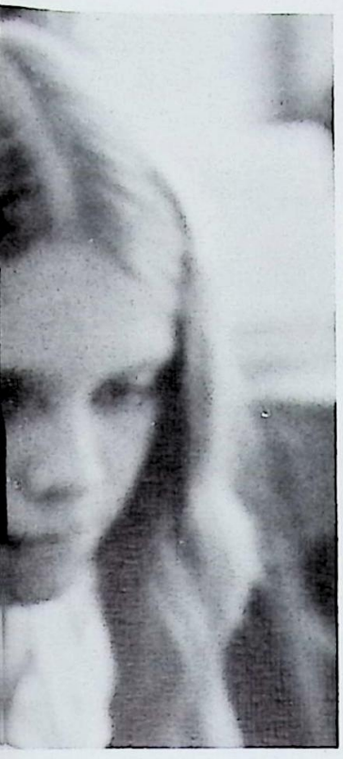


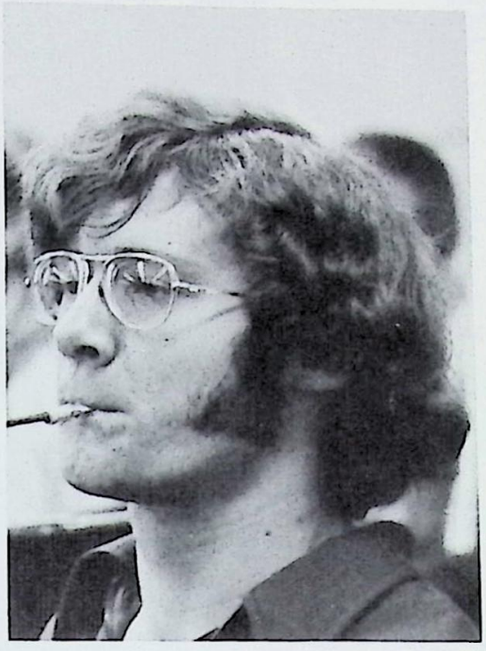
Smile, when you say that.

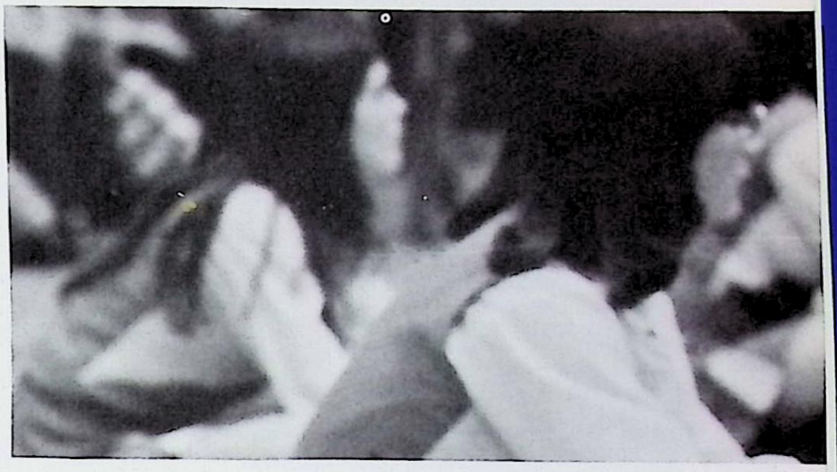


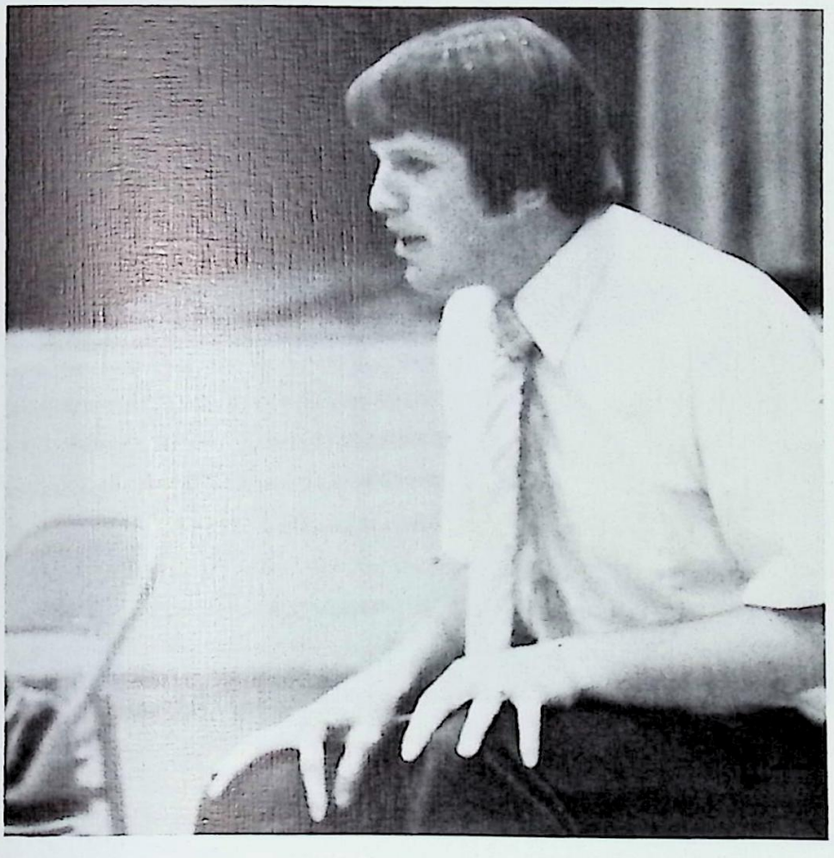


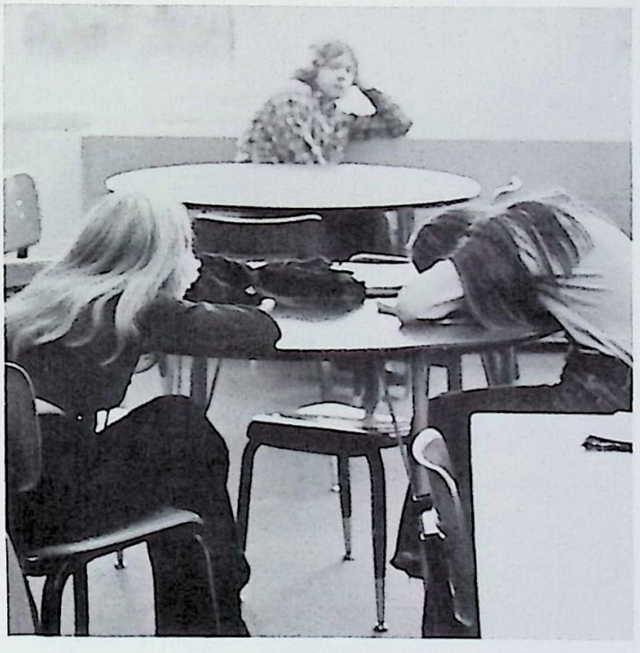




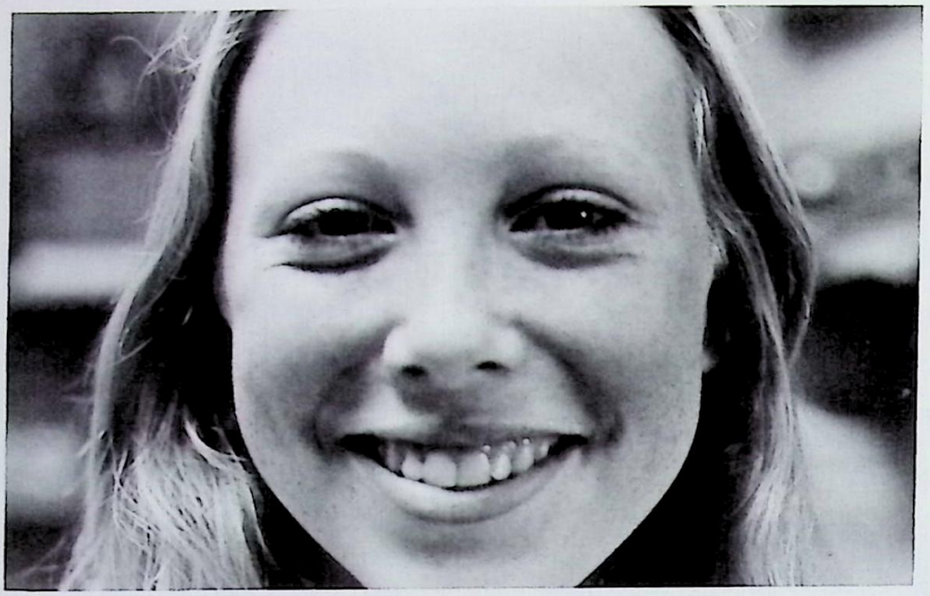


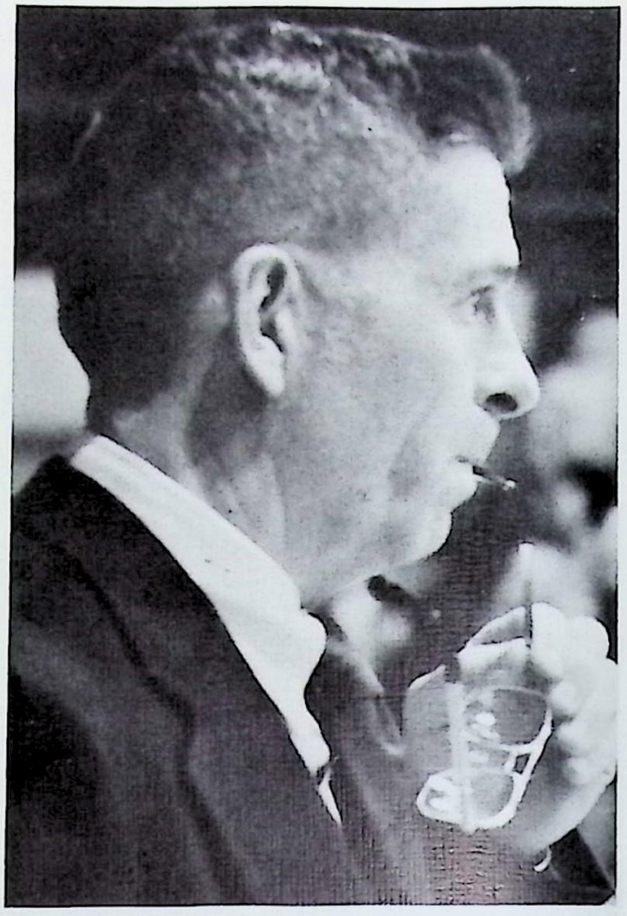


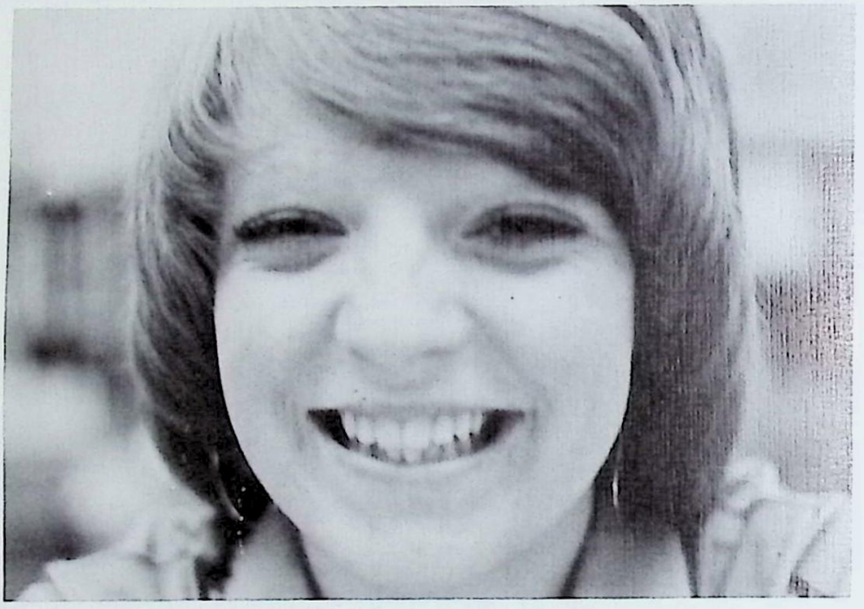


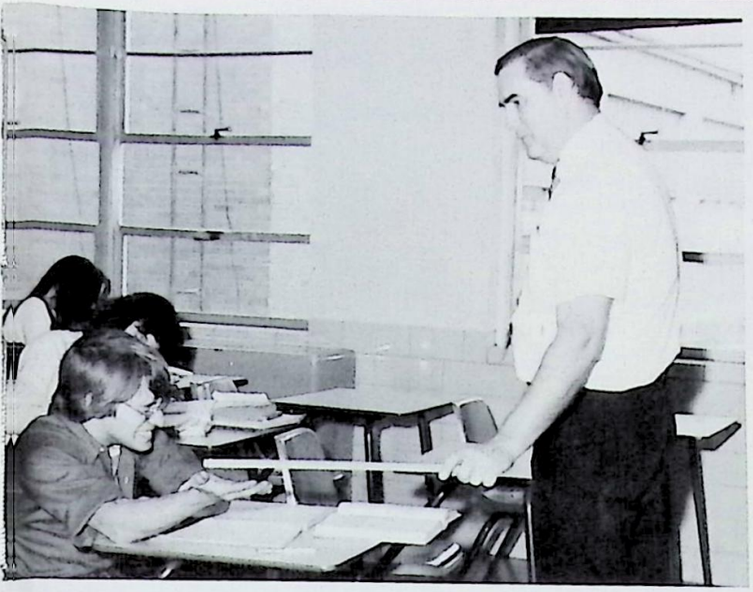


With Faces Like These . . .









The beating of students is a common and everyday experience at B.H.S. In the picture above the head disciplinary teacher Mr. Koverman is cracking the knuckles of an innocent student.

Karen

To live is a thing someone
who is alive does. To be able to
breathe the air of a country meadow.
To touch the warm
face of a flower grown with God's care.
To hear the voices of
a friend who is trying to be a friend.
Do not stop living just because
I do not live with you. Take my
breath, touch God's flowers, and
hear my friends and live with
the hope of passing it on.

Man is challenged today to excel in almost every endeavor . . . Those who do succeed often trace the beginnings of their performance pattern to accomplishment in high and to those who offered stimulation and inspiration in these formative years. STUDENT COUNCIL

Student Council put it all together this year under the leadership of President Karen Welch. Membership to council was one of free will, the first year at BHS for having no elections, except for officers. Council had Weasel's corner open during summer school to provide cold drinks and snacks for the students. As the school year approached, a summer meeting was called to prepare council members for the Homecoming weekend so that Student Council could put forth the effort to achieve a very successful and memorable occasion. With Homecoming past, eyes were turned ahead for the April 24th deadline of Free Forum, a day in which subjects not taught in regular school curriculums were brought into the classrooms. Besides these two major events, Council had many committees designed to keep school co-operation at a maximum. It was a very good year.
